

## **CCDO Coordination as a Sustainability Strategy Workshop Defining Coordination, Collaboration, and Coalition Building**

**Think of a time that your initiative was involved in a coordinated, collaborative, or coalition building effort.**

**1. Which term best describes the effort? (check one)**

- Coordination**
- Collaboration**
- Coalition Building**

**2. Answer the questions below about that experience.**

1. What was the common purpose or need that initiated the effort?

2. Who was involved?

3. Who was missing?

4. What was in it for you? Other stakeholders?

5. What made it work?

6. What could have made it work better?
